

## Vote 1 – John Vouris for AJC Committee

Dear Fellow Member,

I can fully understand you may be getting tired of the negative stories circulating concerning our Club. I want to do something about that.

The present Committee has been divided on a raft of issues. When a Committee cannot work as one, nothing can be achieved.

My platform is centred on decision making based on sound logic and proper advice, rather than factional interests. I will not be part of any faction and my only allegiance is to our Club and its members.

I will bring relevant **strong financial management** to the Committee. I am a senior partner of Lawler Partners, a chartered accounting firm with excess of 150 staff. One of the firm's specialty areas is Hospitality & Gaming, with a strong emphasis on assisting and advising the Club industry.

I have had success in advising many Clubs on how to maximize their assets for the benefit of members, and have been involved in significant Club infrastructure and property projects, such as the proposed sale of the Kogarah golf course and redevelopment of the Club's new course. This experience will be relevant as the strategic plan for Royal Randwick is developed and implemented.

Racing has long been a great passion of mine and I have enjoyed success as an owner with **Hula Hoop** and **Before Too Long**, who won the 2002 Keith Mackay Handicap at Royal Randwick and the Group 2 Champagne Stakes at Moonee Valley.

I am a **strong supporter** of the Club by way of attendance at race meetings and other functions. In particular, my business hosts its Annual Race Day at Royal Randwick each March.

I also support the traditions of our Club and wish to preserve the privileges and status of membership.

I stand as an owner, race enthusiast and punter who will ensure an **independent** voice on the AJC Committee, representing **all** members of our Club.

To ensure a **financially experienced** independent voice on the AJC Committee, I urge you to vote for me, **John Vouris**, by not crossing out my name on your ballot paper.
